Dear 5.1.2e

With this letter I declare that the Ministry of Health of the Dutch government will purchase 1.500.000 mouth masks (type 3M N95 type 1860 at a price of 5.1.1c euro per piece) Delivery FOB , Vienna. Austria.

As was offered to us in the email of Varnax 17<sup>th</sup> March (21:58h) the Dutch government will pay as soon as we have inspected the products and have verified that these are according to the agreed technical specification as mentioned in the attached datasheet.

The Dutch government will arrange the transport to the Netherlands as soon as you let us know the location where the product is stored and the contactpersons involved. In the situation that future deals will be done with you, we will do this under the same conditions.

Yours sincerely,

the 5.1.2e
