Dear 5.1.2e

I am 5.1.2e, who just called you 30 mins ago.

Enclosed please find my updated list.

Most of the masks are 3M FFP2, with top quality!

The price is probably not the best, since they just expensive international trip and I had to pay a lot of express and customs costs.

Would you please give me feedback as soon as possible? So I would not sell them any more.

I can send them by PostNL today and you would receive tomorrow.

If you really would like to have today, I may drive to you with all the goods directly.

Best regards,

5.1.2e

Dear Sir / Madam,

Thanks for your message. Can you fill in the enclosed data? Then we can contact you about that.

We need the stock ASAP (that means today or tomorrow)! And we are only interested in stocks available in the Netherlands. It concerns mouth masks with specification FFP1, FFP2 or FFP3. Can you send me a photo or a certificate that shows that it is indeed one of these masks?

Like to hear from you!

Kind regards,

5.1.2e
