Dear [redacted]

Thank you for the information just now. To confirm:

- the price in your offer is including shipping to the Netherlands
- we arrange shipping within the Netherlands
- we will guarantee that we will take 4 mln masks (FFP1) IF they are delivered in the Netherlands on **Thursday march 19<sup>th</sup>**
- because of earlier experiences this week we cannot pay 50% up front, the maximum we can pay 5% up front but as said we can give a guarantee from the ministry of health that we will purchase the 4 mln masks if they arrive on Thursday.

We look forward to your reply.

Best,

Dear 5.1.2e

Thank you for your time on the phone this morning.

As discussed, we have an immediate supply of FFP1 face masks for which we can supply:

- 1.8 million units by Monday of next week (23/3)
- another 1.5 million by Friday of next week (27/3)
- 1.5 million weekly in perpetuity

Please find the pricing terms attached as well as the overview of the face masks themselves.

Our company is an ISO 13485 certified manufacturer of medical devices, supplying the self-care and dental industries for many years. On request of Neprofarm, we have been asked to help support your supply needs with our supply.

Given that we have existing orders to supply for 5.1.1c and other international partners, we would need to receive commitment for this supply within the next 24 hours. Is this possible for you?

Thanks,

5.1.2e
