Dear [redacted]

How are you?

This is [redacted] from Alog, a subsidiary under Alibaba Group. Appreciated for your time. Consider the current situation of the coronavirus, we would donate the surgical mask from China to the local organization.

The face mask is produced under Chinese medical regulation, YY 0469-2011, it is correspond to the EN 14683, but does not have the CE certification. The purpose is not for sale, but a donation. Can you help us to verify will it is OK for import and apply to use.

Thank you!

With best regards!

Dear [redacted]

Following your E-mail below and our phone call this morning I would like to introduce you to [redacted]  
 She works at RVO which is part of Dutch government and has offered to coordinate with the involved ministries. These ministries

have contact with healthcare institutions and companies that may have demand for medical supplies. That way you have one contact instead of contacts at different ministries and medical centres.

Please feel free to contact each other directly to discuss needs. If logistics support is needed, please contact HIDC as we have an extensive logistics network and we want to contribute to combat the virus.

Kind regards,

Hello 5.1.2e

How are you?

Consider the current situation of the coronavirus, we would donate the medical face mask from China to the local organization.

We have an urgent issue would like to verify with the local authority. The face mask is produced under Chinese medical regulation, it does not have the CE certification. The purpose is not for sale, but a donation. Can you help us to check if it is ok to import in the Netherlands?

With best regards!
