Onderwerp: [spam] B3 respirator specifications

Dear Mr. 5.1.2e

The supplier has received a lot of inquiries. I guess they are too busy at the moment. So they ask me to forward the information. Please find the specifications of their respirator which is the only respirator they can produce at the moment. The price is still 5.1.1c FOB and delivery time is one month.

Regards,

5.1.2e
