[Sanda--3plys disposable medical mask.pdf](#)

Dear Sir/Ms:

Much greetings at this difficult time, since we are all fighting against coronavirus at this moment.

Thanks to Holland International Distribution Council, Mr Jasper Eggebeen's referral, we might have this opportunity to provide some medical supply to go through this hard time together.

We have 19 years' experience in producing surgical masks. Locates in [REDACTED] 5.1.2a, [REDACTED] 5.1.2a With two separate factory, the daily capacity for surgical mask is around [REDACTED] 5.1.1c pcs. Our products are widely used in medical protection, personal care, industrial protection and other fields.

With reliable quality and good sense of social responsibility, we provided medial supply to the coronavirus outbreak site-Wuhan in the passed two month.

And now Wuhan turns to be controlled. We hope our produts would help more people oversea with necessary certificates.(FDA, NQA, CE, Nelson, EN14683 as attached)

Please feel free to contact me if you have any needs.

Waiting for you kind reply!
