Dear 5.1.2e

We are currently supporting and supplying different governments from the European Union in behalf of the present problems with the COVID-19 and the according consequences.

GSC Medical in Switzerland is the official distributor for the **NeoPlex™ COVID-19 Detection Kit** in Europa and Africa and has the exclusive rights to sell this kit for these countries.

Attached you find our proposal for this highly functional COVID-19 Detection Kit. Attached our offer and all the information's from the producing company including the CE certifications.

As well as already presented in our past e-mails:

- protective masks
- sanitizer and germicides (different portions/sizes)
- ventilators as well as other medical equipment

In case of any interest, if we can support and help you, please provide us with a list of your requirements along with the relevant specifications.

If you have any questions, please do not hesitate to contact us. We wish you the best of luck and good health through these difficult times.

Kind regards

5.1.2e
