Dear [redacted] 5.1.2e

1. Do we have your permission to share your submitted manuscript confidentially with the World Health Organization?

**Yes, no problem. A preliminary report on largely the same content has already been shared with WHO and ECDC.**

2. ASM is a signatory to the Wellcome statement on early sharing of COVID-19 research. Therefore, we strongly suggest you consider submitting your manuscript to a preprint server. If you choose to do so, please contact the journal office and provide the DOI

**We have checked the option during submission to share with BioRxiv. I got the message that it has been delivered there.**

Best regards,

[redacted] 5.1.2e
