

Onderwerp: ICU medicines COVID-19 needs assessment

Dear Members of the Health Security Committee,
Dear Members of the Joint Procurement Agreement Steering Committee,

Please see attached the list of ICU/essential medicines for the treatment of COVID-19, submitted by countries so far in view of a possible joint procurement.

In case your country is interested in joining this process, please send us your needs (quantities) for the attached list, or for additional essential medicines for the treatment COVID-19 by Thursday, 23 April cob.

The availability and conditions are being explored to identify potential means to ensure access to different products.

Best regards,
HSC Secretariat
