Ha 5.1.2e

Ik vind dat we als Healthy Gateways deelnemers op moeten reageren.

5.1.2e stelt nu voor om maskers te adviseren aan crew en passagiers op alle soorten van public conveyance, op basis van WHO en ECDC guidelines van deze week. Dit gaat echt te ver.

EU HEALTHY GATEWAYS advises that the passengers and crew on board any type of public conveyance operating nationally or internationally, who are not ill or showing symptoms compatible with COVID-19 wear a medical face mask - and if a medical face mask is unavailable, then a non-medical "community" face mask can be used.

Zal ik hier namens ons op reageren?

Groet 5.1.2e
