Dear VaC members,

We hope this messages in good health and in good spirits. We have a number of current opportunities and events to share with you.

1. World Immunization Week launch

This Friday 24th we launch our World Immunization Week activities, please join us for the first webinar on Group B Strep (GBS) from 2-3pm on the 24th. The webinar will be recorded so you can watch later if you can't make the time. More information can be found here: <https://www.lshtm.ac.uk/newsevents/events/group-b-streptococcus-gbs-pregnancy>. The full week programme of events can be found in the poster attached.

2. HPRU in Immunisation survey on childhood vaccination

The team at the HPRU in Immunisation has launched a survey for parents/guardians of children under 18 months of age in England to hear their views on childhood vaccination and accessing childhood vaccination during the COVID-19 pandemic. Please complete the survey if relevant and share with your networks: http://lshtm.qualtrics.com/jfe/form/SV_emuBZbuOBSbVNbf The survey will be open for 4-6 weeks.

3. PhD opportunities on vaccines at LSHTM

There are currently 3 Vaccines and Immunisation Studentships advertised for a 2020 start with the NIHR funded HPRU in Immunisation. The closing date for application is 10.00am BST, 5 May 2020. For more information please see the website: www.lshtm.ac.uk/2020-21-hpru-vaccines-and-immunisation-studentships Please share this with your networks and any students who might be interested.

Feel free to share opportunities or announcements through this list by emailing [redacted]@lshtm.ac.uk

All the best,

The VaC team
