Subject: Webinar on COVID-19; infection control and clinical cases

Dear Colleagues,

The Ministry of Health and Welfare(MOHW), Ministry of Foreign Affairs(MOFA), Seoul National University Hospital(SNUH), Korea International Medical Association(KIMA), Korea Health Industry Development Institute(KHIDI) are jointly hosting the Web Seminar on COVID-19 for ASEAN countries.

This webinar is part of the follow-up measures of <Special ASEAN Plus Summit on COVID-19>, but it is open to any party who is interested in the management and strategy to tackle COVID-19.

The topic of the seminar is more specified to infection control and clinical cases, so it would be an excellent opportunity for health care experts to have more practical information how the hospitals in the Republic of Korea are dealing with COVID-19.

Please refer to the attached file for the detailed program.

For registration, please fill out the attached form(excel file) and send it to
