We are pleased to offer you the following product for your immediate consideration.

The product is the 3M 1860 Mask. [hereinafter "the mask"]

The product/manufacture meets the appropriate standards as found under rule GB19083-2010, CE, FDA

The product has been verified with active proof of life on 31MAR2020 as seen in sight.

At present, we are prepared to offer you 50 million masks for shipment to AMS upon your presentation of purchase order and your bank's guarantee of payment of [Redacted] 5.1.2b per unit.

Through my personal relationship with [Redacted] 5.1.2e, I will do the best I can for both of you to hold as much product as I can, however I cannot confirm that the masks will maintain present availability, so as with all business transactions, time is of the essence.

Wishing you the very best in this time of need,

BUSINESS SUMMARY

SDVoBMall.com® is the little company with BIG IDEAS! Created from the simple notion of understanding the DLA's mission of providing effective and efficient support to your customers and warfighters. SDVOBMall.com is a cVE (SDVOSB Verified and Certified) firm and we're always ready addressing sourcing and custom product needs one agency at a time.

SDVoBMall.com has a wide range and network of agents and suppliers globally, that look to us to source, trade and provide products and solutions. Our operating footprint spans the globe, serving clients from Hong Kong to Tema, from Oakland to Europe, from the Americas to the Middle East. Our office links North American products to markets in Africa, The Middle East and both Latin and South America markets respectively.

Procurement and acquisition professionals' workday should not be spent in search of firms that can provide services, products and solutions. With strong financial and credit lines in place, SDVOBMall.com is able to warehouse, supply and ship goods to any part of the world with a moment's notice. We're smaller than most large firms and our niche is in ability to respond to product and solutions request at a much faster pace than your typical large company. Priced competitively, it's not unusual to find us travelling the globe in search of new suppliers to actively support your mission uninterrupted. Our focus and your mission will always be one in the same.

Make www.SDVOBMall.com your one stop shop "Premier Federal Procurement Store".

CAPACITY & DIFFERENTIATORS

We are the best at locating hard to find and out of stock products and merchandise and have boots on the ground in over 12 different global time zones. Scarcity and limited raw materials present a problem to most companies but not SDVOBMall.com. We are former agency contracting professionals that not only understand what's at stake but also how you wish to do business with our own financing and credit relationships in place. Capacity is our key to performance.

SDVoBMall.com is Level 3 data compliant with no purchasing limits (GSA Purchase Cards welcomed). We accept Corporate Visa and Mastercards too.
