Subject: nauwe contacten in vliegtuig Amsterdam Trondheim
Received: Wed 9/9/2020 2:53:54 PM

Beste collega's,

Onderstaande bericht ontvingen wij van de Noorse collega's. Ondertussen weten wij dat beide personen terug in Nederland zijn en [redacted] 5.1.2e [redacted] wonen. Ze gaan sinds vandaag in quarantaine maar wachten het telefoontje van de GGD Haaglanden af voor verdere instructies (op dit moment hebben zij geen klachten). Graag jullie verdere afhandeling. Met vriendelijke groet,

Dear colleagues,
We have been informed of a confirmed covid-19 case who travelled recently on KLM Airlines flights to Trondheim in Norway: The case [redacted] 5.1.2e [redacted] developed symptoms while travelling from Amsterdam to Trondheim on the following flights: - Flight [redacted] 5.1.2e [redacted] from Amsterdam to Trondheim on the 3rd of september 2020 We have contacted KLM for the passengers lists on flight [redacted] 5.1.2e [redacted] flight and are conducting contact tracing on the flight from Amsterdam to Trondheim (all passengers within two seats of the confirmed case). We are providing you this information so that you may follow-up according to your current procedures of flight [redacted] 5.1.2e [redacted]. We have identified two passengers that we believe is from the Netherlands on this flight and that sat within two seats of the index case. This is the information we received from KLM regarding these passengers:
Passenger 1: [redacted] 5.1.2e [redacted] Phone: [redacted] 5.1.2e [redacted] E-mail: [redacted] 5.1.2e [redacted]@LIVE.NL
Passenger 2: [redacted] 5.1.2e [redacted] Phone: [redacted] 5.1.2e [redacted] E-mail: [redacted] 5.1.2e [redacted]@LIVE.NL

We have currently not managed to get in touch with the passengers. If you were to get in touch with this passenger, we would kindly ask you to provide us their current locations, if still present in Norway. If the passenger is still present in Norway, we will establish contact between the local health authorities and passenger at their location. Please let us know if you need more information, Best regards, Norwegian EWRS Team
