[redacted] RE: Comments JNT J&J

Dear [redacted] we haven't got an invitation either from the EC. I think it would be wise to first get a new proposal (later today probably) and then have a call with JJ.
Let us stay in close contact regarding this
Best wishes, [redacted]

[redacted] Comments JNT J&J

Dear all,

we hereby send you (in an excel sheet) the combined comments by country as shared with us today. We have also added all the comments to the main documents we are going to share with J&J (without track changes or the information on what country has made the point of course). This is also attached (two word documents).

In addition to all the points made, we will include the following in de e-mail to J&J:

- We need clarity on the possibilities for and consequences of [REDACTED] 5.1.1c
- We need [REDACTED] 5.1.1c ?

We will inform you as soon as possible about the response of J&J and look forward to a new version of the term sheet. We can use the meeting with J&J, NL, [REDACTED] 5.1.2a tomorrow to emphasize the points that we have made and to stress the urgency to come up with a new proposal.

Best wishes, [REDACTED] 5.1.2e
