Dear VaC members

Please see details below of two upcoming online events and a job opportunity working closely with the VaC:

1. IMPRINT webinar on maternal/infant immunisation in times of COVID-19

For the second webinar in this IMPRINT series [redacted] Professor of Paediatric Infectious Diseases at St George's, UoL, and [redacted] will discuss the current status of COVID-19 vaccines and impact of COVID-19 on newborn health. The webinar will take place on **11 March at 15:00-16:30 GMT**. The 20-minute presentations will each be followed by a Q&A session with speakers and audience that are moderated by our Network Directors [redacted] from and [redacted] from the University of Southampton.
