

Short mail to update you on progress of the first shipment and also to ask please if you can today confirm the exact delivery address / do that this can be set with transporter.

- the first order is complete and is being loaded on Thursday this week.
- transport will leave Finland on Friday and will be in the Netherlands on Monday
- we have scheduled the delivery for Tuesday morning in the Netherlands (need address)
- if too early on Monday the driver will stay and wait until the morning

5.1.2e fur your information we have already produced shipment 2 . So we are sure to be exact on time for each.

Look forward to receiving the delivery address soonest.

Kind regards
