Dear [5.1.2e]

Thank you for your message.

BioNTech/Pfizer has become the biggest and so far the most reliable supplier of Covid-vaccins to The Netherlands and the EU.

Your contributions are important in our efforts to find a way out of this crises.

I am happy with your recent increase in production capacity, but also appreciate your offer to stay in close contact on efforts around fighting mutations of the virus.

We value our good cooperation. I know you are in good contact with my staff at both the Ministry and the RIVM. But please know you can always contact me personally as well, if necessary.

With kind regards,

[5.1.2e]
