Onderwerp: Covid-19 vaccination of AMI staff

Dear 5.1.2e

Good evening,

5.1.2e has just made me aware about a possible misunderstanding with regards to Covid-19 vaccination of AMI staff on Sint Maarten.

This is to let you know that AMI staff is considered to belong to priority group I, being Medical Health Workers. As such AMI staff are fully eligible for Covid-19 vaccination.

You are therefore encouraged to make preparations to get this group vaccinated at your facility.

You may contact our VMT member 5.1.2e 5.1.2e for the planning of vaccine requirements and delivery.

Please do not hesitate to contact me should you have any questions.

With warm regards,
