Dear [REDACTED] 5.1.2e

Thank you for your call and for confirming that total vaccine doses offered to both Curacao and Aruba.

Just to confirm that I have now increased the requested amount in CECIS so your colleague can now make a new offer for 17,550 Comirnaty doses to Aruba in the request overview.

Please do not hesitate to call us if you require any additional support.

Importance: High

Dear [REDACTED] 5.1.2e

We just noticed that there is a mistake in the total calculation of vaccine doses offered to Curacao and Aruba. Your initial message states the following:

TOTAL:

Comirnaty vaccin (6 doses per vial) 31x 195-pack (16x195x6 = 18720 vaccines doses)

If we understood correctly 18,720 vaccine doses is only the total for Curacao (16x195x6), with the total for Aruba being 17,550 (15x195x6).

Therefore, the total for both countries should be: **36,270 vaccine doses** (31x195x6).

Could you kindly confirm that this is correct so that we can proceed to increase the requested amount in CECIS for you to make the additional offer of 17,550 vaccine doses to Aruba?

Please do not hesitate to call if you need support.

Good evening 5.1.2e

Thank you for your e-mail. We have introduced the requests in CECIS. As it contains goods that were requested before, I added for those items the requested number to the previous requests, as you will see.

As discussed over phone, it is possible to send us one Part A, Grant Application and Budget Form for both shipments. However, we do have to **receive the Part A before the first shipment departs**.

If you have any further questions, please do not hesitate to let us know!

Kind regards,
