Dear [5.1.2e], good morning,

For the first unit, I suggest, shipping cost US\$ 450 and the additional units cost, which is the upgrade from UX-1.5 to UX-2K. the additional cost is (UX-2K ) US\$ 895 – US\$ 695(UX-1.5 ) = US\$ 200.

Due to the urgency of this matter, please issue manual invoice of US\$ 650 through Paypal.

Wire transfer carries a number of days to process, time is of essence.

Thank you for prompt reply and input,

Best regards,

[5.1.2e]

Greetings [5.1.2e]

The shipping cost will be Via DHL, \$ 450 . We agree to split the cost, so you pay \$225 for the shipment of the UX-2K model.

Let us know how you wish to pay for the unit. We can issue a manual invoice through PayPal, or you can pay bur wire transfer, in this case we will send you the banking information.

Once you decide, we agree to exchange. We can discuss this later.
