Re: COVID-19 vaccines

Excellency,

Thank you for your letter of March 25, requesting the provision of effective vaccines to fight the COVID-19 situation in your country the Republic of Moldova.

It is with regret that we have to inform you that a donation of COVID-19 vaccines to the Republic of Moldova is at this moment not possible. This is because of limited vaccine availability in the Kingdom of the Netherlands, and because any surpluses of vaccines in Europe, including those from the Kingdom of the Netherlands, shall be organized through the multilateral COVAX initiative.

We are truly sorry we are not able to assist you at this moment.

Yours sincerely, on behalf of the Minister of Health, Welfare and Sport
