THE EU INTEGRATED POLITICAL CRISIS RESPONSE ARRANGEMENTS

IPCR Working Level Roundtable COVID-19 Operational Conclusions – 8 March 2021

1. Situation and Outlook

- 1.1. The Presidency invited Member States to share with ECDC any data they have on reinfections with specification of date of previous infection. Furthermore, data on infectiousness of such cases should be reported when available. ECDC is invited to work together with the European Medicines Agency on guidance regarding infectiousness of vaccinated and recovered persons;
- 1.2. The Presidency will convene a meeting of the COSI Support Group to further discuss the issue of vaccination fraud, and will keep the IPCR and COREPER informed;

2. Key Bottlenecks And Urgent Actions Needed

- 2.1. The IPCR was briefed on the technical work of the e-health network in the context of a legislative proposal for the Digital Green Certificate. Pending the proposal from the Commission on 17 March, the Presidency will inform on the handling of this file in the COREPER on 17 March;
- 2.2. COREPER will take stock of the state of play of vaccine sharing mechanism on Tuesday 9 March. The IPCR will continue to address the issue at upcoming meetings;
- 2.3. Following the assessment of the situation of countries listed in Annex I of the Council Recommendation 2020/912 on the basis of updated data and information from the ECDC and EEAS, the Presidency will propose to COREPER to keep the list unchanged.
