Dear National Focal Point of Netherlands.

The following information is provided to you by the Division of Global Migration and Quarantine, Centers for Disease Control and Prevention, United States for public health follow up as you deem appropriate. CDC is providing this information to you under Article 44 of the International Health Regulation (IHR2005) - Collaboration and Assistance.

This notification is regarding a citizen/resident of your country who was identified as a contact of a person with COVID-19 traveling on a flight. The attached information is saved as a password protected Adobe PDF document; I will send the password in a subsequent email.

Clinical History:

A state health department reported a lab-confirmed case of COVID-19 to the Centers for Disease Control and Prevention Miami Quarantine Station on January 14, 2021. This is a 5.1.2e with symptom onset of January 8, 2021 of cough, fever, myalgia, sore throat and congestion. A positive antigen test for SARS-CoV-2 was collected on January 12, 2021. Case flew on January 10, 2021.

Please do not hesitate to contact me if you have any questions.

Sincerely,

```
