Onderwerp: FW: EWRS: Notification for Response Measure

Hoi,

Noorwegen doet het volgende EWRS bericht uit over reis restricties:

Updated regulations and advice for travellers to Norway
<https://www.helsedirektoratet.no/brosjyrer/informasjon-til-de-som-ankommer-norge-covid-19/>
Entry Restrictions Entry from EU Member States + Schengen Associated countries is allowed without restrictions, unless a country or region is defined as high transmission area. The Norwegian Institute of Public Health provides a map of affected areas, which is updated regularly. <https://www.fhi.no/en/op/novel-coronavirus-facts-advice/facts-and-general-advice/travel-advice-COVID19/> All travellers entering Norway from countries or regions that are defined as high transmission areas will have to quarantine for 10 days in a designated hotel. This requirement does not apply to people who reside in Norway or own a home or holiday home in Norway as well as a suitable place to stay during the quarantine period. Furthermore, people coming from high-risk or striped areas must provide a certificate of a negative COVID-19 test taken no more than 72 hours before entry. The certificate must be in Norwegian, Swedish, Danish, English, French or German. Foreign nationals who cannot document a negative Covid-19 test upon arrival can be refused entry to Norway. Some exceptions may occur as well.

Met vriendelijke groet,

5.1.2e
