## Partial lockdown continues during festive season

The COVID-19 infection rate is still too high. So we will continue the partial lockdown. By keeping our distance and limiting our contact with others we can protect each other from coronavirus.

### COVID-19 symptoms?

**Stay at home.**

**Get tested.**

*If you are short of breath and/or have a fever, anyone you live with should also stay at home.*

Work from home, unless this is not possible.

Keep 1.5 metres away from others.

If a place is busy, leave.

Wash your hands often.

Cough and sneeze into your elbow.

Wear a face mask where this is mandatory.

### Groups

**Indoors:** groups of no more than 4 people or 1 household. No more than 30 people per space (including children under 13).

**Outdoors:** groups of no more than 4 people or 1 household.

### Venues normally open to the public

Museums, cinemas, zoos, libraries, swimming pools and other venues can **open**. People must reserve a time slot.

### Food and drink / events

**Restaurants, bars and cafés remain closed.**

**Takeaway restaurants can stay open.** No alcohol may be sold or delivered after 20.00.

**Events are banned.** Exceptions include funerals and demonstrations.

### At home

No more than **3 visitors** per day (excluding children under 13).

Make plans and arrangements in case you need to self-quarantine.

### Shops

**Plan your shopping.** Go in the morning or on a weekday. Go alone.

**Shops close no later than 20.00.** Supermarkets, general markets and other stores that sell groceries can remain open after 20.00.

**Ban on alcohol after 20.00.** This applies to sales, deliveries and drinking alcohol in public spaces.

### Transport
