Onderwerp: COVID-19 additional measures taken by Poland (vis-à-vis UK)

Dear Colleagues,

for your information – in order to ensure public health and protection against the risk of infection caused by the new mutation of the SARS-CoV-2 virus in the United Kingdom, the Polish government has undertaken the decision to issue a ban on flights from the United Kingdom to Poland.

As of midnight (21st / 22nd December) until 6th January 2021, flights from the United Kingdom to Poland are prohibited.

Best,

5.1.2e [redacted]
