5.1.2a

FOR OFFICIAL USE ONLY - CONFIDENTIAL

##Incident Reference Number: 5.1.2e

Dear IHR National Focal Point of Netherlands,

The following information is provided by IHR National Focal Point of Japan under Article 30 of the International Health Regulation (2005) – Travelers under public health observation.

We identified passengers who was sitting in close proximity to the case(s) in a flight arriving to Japan, and provide the information in the attached encrypted file for your reference.

These passengers are considered as "close contacts" based on the WHO interim guidance.

<https://www.who.int/publications/i/item/contact-tracing-in-the-context-of-covid-19>

Currently, all incoming passengers to Japan have to undertake viral test on arrival and all test-negative passengers have to self-quarantine for 14 days.

We hereby notify you travelers under public health observation who left Japan during the observation period (14 days) to Netherlands by following international Flight.

Flight Number: 5.1.2e

Departure: 5.1.2e

Transit: 5.1.2e

Arrival: 5.1.2e

Departure Date: 5.1.2e

Please refer to the attachment including the list of such passengers with details.

The password will be provided in the subsequent email.

If you have any questions, please email to 5.1.2e @mhlw.go.jp referencing the incident reference number above.

*NOTE: the information provided in this email is strictly CONFIDENTIAL under paragraph 1, Article 45 of the International Health Regulations (2005) and shall not be disclosed to the public without a permission from the Government of Japan.

Best regards,

5.1.2e

on behalf of IHR NFP of Japan
