Onderwerp: Informal Videoconference of Health Ministers - 30 October 2020

Dear all,

The **Informal videoconference of the Ministers of Health** on 30 October 2020 from 10:00 to 13:00 will be hosted on the GSC's VC Platform.

We assume that all capitals will take the floor for the exchange of views on the EU role in strengthening the WHO. Should your capital also wish to intervene on the AoB point, please let us know

(5.1.5 < 5.1.5 @consilium.europa.eu> by Wednesday 28 October at 17.00 at the latest.

Please find below some practical information and instructions for this event:

1. The videoconference will **start at 10:00 a.m. on 30 October 2020** and will last until 13:00.
2. Each Member State will have **one remote connection** to the videoconference.

A listening room will be available in the Council's **Europa building, room S7**. A **maximum of two representatives** of each Member State are welcome to this room.

2. Testing the connections is an essential part of the videoconferencing process. **A test window for all participants will be open between 10:00 a.m. and 11:00 a.m. on Thursday 29 October**. If you participate via a video-link, **you are strongly invited to perform this test**.

On 30 October, make sure that you connect **one hour before the start of the videoconference, e.g. at 09:00 at the latest**, so that all connections are ready at the start of the session.

Information for participants

Attached you will find a **connection guide** which sets out how participants can connect.

Connecting from..	Use this link/address:
A browser (Chrome recommended)	5.1.2h
A VC System	5.1.2a < 5.1.2a @vp.consilium.europa.eu or 5.1.2h or 5.1.2e < 5.1.2e @45.13.100.2>
A Smartphone/tablet (Pexip Infinity App)	5.1.2h < 5.1.2h @vp.consilium.europa.eu>
Participant PIN	5.1.2h

3. In case of problems with the connection, please call the Council technical services landline: +32 (0) 5.1.2e
as soon as possible.

Should you not be able to contact it, please notify your representative(s) in the listening room so that she/he can report the problem directly to the technician in the room.

In case the connection cannot be restored, please allow your DPR, if present, or your representative to take over on behalf of the capital. In that case inform the representative of the GSC present in the listening room.

4. Please send back to 5.1.2a @consilium.europa.eu the **VC Participation Request Form** attached to confirm the technical information as well as the name of your capital representative/s and of the representatives (2) who will be present in the listening room by Wednesday 28 October at 17:00.

5. The speaking time is limited to a maximum of **three minutes** per Member State. No interpretation will be provided.

6. Below you find an extract from the Council guidelines for videoconferences:

- **The microphone should be switched on only when speaking**, otherwise it should be muted.
 - The speaking order established by the Chair must be strictly respected.
 - Please ensure that the main speaker is positioned in front of the camera and is clearly seen and heard by all participants. To avoid acoustic feedback, speakers should avoid sitting too close to the microphone. The room should be well lit. Sitting in front of bright sources of light (such as a window) could result in the speaker's image being too dark.
 - We invite you to place a **national identifier** (flag/nameplate) in the background to allow for easy identification of the speaker.
 - The speaker should look into the camera and **speak clearly, slowly and at a normal volume** (speaking too loudly or having too much background noise leads to acoustic feedback/echo during transmission which makes it difficult for the other participants to follow).
 - The Chair will allow a few seconds between speakers, and make sure they have finished their intervention before taking/giving the floor again.
 - Once the Chair indicates that the meeting is over, participants should disconnect. The Chair should be the last one to disconnect.
7. The requirements of the Council's rules of procedure are still to be respected, in particular those regarding the equal treatment of delegations and the principle of confidentiality. Therefore, delegations participating remotely commit to ensuring that the meeting is only attended by duly accredited delegates.

Best regards,
