## Start of Week Report 11/23/2020

### **Key Deliverables:**

- 742 active cases of COVID identified on the island.
- Patient census: 7 – 5 of which are in the ICU

### **Staff Deployment:**

- We currently have 37 personnel working at CMC throughout multiple departments which includes ICU, ER, OR, and NICU.
  - The staff breakdown is as follows:
    - 2 Physicians
    - 1 Physicians Assistants
    - 33 ICU RNs
    - 1 Team Lead
    -
  - **Risks/Issues**
    - Working with the HR/recruiting team to backfill three open physician positions to include individuals with ICU and critical care certifications.
- 
- **Progress:**
  - Four RNs transferring from Aruba coordination is underway for this week.
  -
