**Subject:** RE: EMA SmPC Comimaty 10 micrograms/dose concentrate for dispersion for injection  
**Received:** Fri 2/18/2022 2:40:43 PM

Hi [REDACTED]

I'm checking with colleagues (as I really am not qualified to comment), to see if page 39 of [https://www.ema.europa.eu/en/documents/product-information/comirnaty-epar-product-information\\_en.pdf](https://www.ema.europa.eu/en/documents/product-information/comirnaty-epar-product-information_en.pdf) contains what you should need (i.e. tagged onto the end), even though the main SmPC implied that you should be looking for a separate document altogether.
