Dear 5.1.2e [redacted]

Just a gentle reminder about the paragraphs the impact of COVID for 4VITAL for IMI, deadline 1st of May.
 If you could have a look at them, I would be grateful.

Thank you.

Subject: text on impact COVID-19 and additional activities

Dear 5.1.2e [redacted]

I have drafted the sections of texts requested by 5.1.2e [redacted] on the impact of COVID-19 on 4VITAL and the additional activities we would like to incorporate.

5.1.2e [redacted] specifically asked me a couple of times about a plan B for the healthcare professionals study. Honestly, I don't think there is because there is for example not much literature on information seeking behavior of healthcare professionals and their networks (after a quick and dirty search). What are your thoughts on this?

If you could have a look at the paragraphs I wrote, I would be grateful. The deadline for submission is 1st of May.

Best,

5.1.2e [redacted]
