Hello 5.1.2e

Thank you for connecting on LinkedIn. As mentioned, I have been looking to see if we could help the Ministry for Health, Welfare & Sport in the Netherlands with any requirements for Hospital Beds.

OSKA is a UK manufacturer of Hospital Beds and Pressure Relief Mattresses. To help support the urgent requirement of ICU beds, we have designed 2 low cost beds for the new temporary NHS Nightingale Hospital in London. We have scaled up our production of beds available for export as flat-pack, easy to assemble kits.

If we could potentially be of assistance to the Ministry of VWS – I would be very glad to hear from you to discuss your requirements and quantities in more detail.

I am available directly on +44 5.1.2e or by email – 5.1.2e @cqegroup.com

I look forward to hearing from you.

Best regards,

5.1.2e
