Hi [5.1.2e] Thursday we have sent this lead. Yesterday we had a call with [5.1.2e] He would follow up and give feedback on Friday and send over his contacts.

I do not have [5.1.2e] email, so can you share the status? [5.1.2e], our team member in China, is stand-by to follow up.

Kind regards,

[5.1.2e]
