[EU Drug Markets Covid19 impact proof 2 \[5.1.2e\].pdf](#)

Ter kennisname, over de impact van covid 19 op de drugsmarkten.
 We zullen het zo snel scannen, of er relevante info over NL in staat.

De politie heeft hier aan meegedaan las ik. We hebben contact met [5.1.2e] zij stelt geregeld een rapportage op, dus ik denk dat de cirkel dan rond is (wij leveren hier ook gegevens voor aan), maar wat Europol verder verzamelt is ons niet bekend.

Met vriendelijke groet,

[5.1.2e]

Dag allen

IK heb het nog niet gelezen, is wel heel kort dag.

Ik zal vragen of ze zelf een persbericht hebben, kan handig zijn.

[5.1.2e] zou jij misschien in allerijl op een rijtje kunnen zetten waar NL in genoemd staat (en de wijze waarop)?

[5.1.2e] nog handig om even met [5.1.2e] af te stemmen, mocht NL hierin 'shinen'?

De boodschap is dus NIET verspreiden (alleen naar jullie dan).

Met vriendelijke groet,

[5.1.2e]

Subject: EU Drug Markets: Impact of COVID-19 - new report to be published tomorrow - Not for dissemination

Dear Colleagues,

Tomorrow we are going to publish the joint EMCDDA-Europol report on the impact of COVID-19 on the EU drug markets.

Please disregard my previous email. I am sending you attached the second proof of the report for information. This should not be disseminated yet.

Many thanks,

5.1.2e
