Ter info.

O.a. de uitkomst van de enquête die de Commissie vorige week onder de lidstaten hield. (Sli_DO_poll-results). 88% van de lidstaten heeft op dit moment nationale productie van mondklappers.

Groeten,
5.1.2e

Onderwerp: Follow-up meeting on ramping up production of medical equipment 19/05 - Summary, poll results and presentations

Dear Member States and associated countries' contacts, dear COMPCRO attachés,

First of all, thank you again for a very fruitful meeting and discussions on the ramping-up of production of medical equipment. It is very useful for us all to listen to the different approaches on how to best tackle this issue, and to be able to share best practices among ourselves.

Following our meeting of last Tuesday, please find enclosed the following documents:

1. Summary of the meeting
2. Poll results
3. Presentation and short brief from OECD
4. Presentation from Bulgaria
5. Presentation from Belgium

Please do not hesitate to contact us should you have any comments or questions. Thank you once again for sharing your knowledge with us!

Best regards,

CCH-ESI team
