Dear [REDACTED] 5.1.2e

as we discussed with you on the phone yesterday, I would like to give you some updates about the 3.5 million gowns project. I would like to refer to the attached letter.

The manufacturer Joinkona also sent you a letter. Their [REDACTED] 5.1.2e and management have expressed their strong support to this LCH project. In the attachment please find the Letter for Cooperation and Declaration from Joinkona.

Furthermore, we also send you an open quotation from the Joinkona. (This price list is internal information at Joinkona and please keep it in confidential). In this price list, you can see that our price is indeed lower than their price to other buyers.

In conclusion, both Joinkona and we are ready to fulfil the order of 3.5 million gowns in June. we are looking forward to your feedback soon.

with best regards,
