Subject: [CONFIDENTIAL] Moderna Purchase Agreement - Option Increase

Dear Members of the Steering Board,

Please be informed that yesterday (**Tuesday 15/06/2021**), the European Commission **has exercised**, on behalf of the Participating Member States, **the Option Increase for additional 150 million vaccine doses**.

I attach the latest **Allocation Table** we are communicating to Moderna (both in Excel and PDF version).
NB: there is still flexibility under a “common pot” under SE and NO.

Please note that in parallel, the procedure to adopt the **amended Purchase Agreement** is being finalised. We will upload the amended contract for signature via CIRCA BC as soon as it is approved by the European Commission. From that date, there will be a 5-day opt-out period.

As regards **Vaccine Order Forms for the Option doses**, the new deadline, in line with the future amended Purchase Agreement, will be **10/09/2021** (as opposed to 30/06/2021 in the current version of the Purchase Agreement).

Best regards,

5.1.2e
