Beste [REDACTED]

Mooi hartstikke goed.

Ik begreep daarnaast dat er informeel ook OK is gegeven voor de levering van HCQ!

Er zouden mogelijk 7 van de 10 bestelde batches volgende week vrijdag klaar voor verzending staan.

Heb jij hier enige bevestiging via jouw kanalen gekregen?

Beste mensen, we hebben wat beweging Delhi, maar nog niet alles is helder:

- De restricties op formulations paracetamol zijn opgeheven (APIs niet), zie bijlage
- De eerdere specifieke aanvragen die we vanuit NL gedaan hadden (HCQ en paracetamol) lijken ook te zijn goedgekeurd maar daar hebben we nog geen schriftelijke bevestiging van gezien.

Tb continued dus

Hartelijke groet

There is only 1 airport in Mumbai with two terminals – one is for domestic travel and other for international travel. There is only 1 terminal for international cargo in Mumbai, Mumbai International Airport.

Thanks,

Dear 5.1.2e

We have talked to them and clarified the situation. They have told us that the decision is now in the interministerial committee to discuss the export of medical equipment.

Anyhow they do ask us for an additional piece of information and that is the port of shipment, apparently there are two airports in Mumbai. Do you have any more information you can share with us?

Thanks

Hi 5.1.2e

Can you pick this up? It is important that your contact point understands that we are taking here about the full NL order (for which we have also diplomatic discussions ongoing from Dutch side) of which 50000 doses will be re-exported from the NL to PT.

Thanks

Hi 5.1.2e

Please see below.

The Indian embassy in PT reached out to IPCA to inquire and help speed up the export approval for the NL HQS product which is now apparently causing some confusion.

Can you please discuss with the PT embassy how everything connects?

Eg. Teva NL order to be exported by Merckle imported into EU via Germany.

Teva NL will re-distribute stock to Teva PT

Thanks for your support.

Subject: Teva Portugal Order

Hi 5.1.2e

Ipca informed that yesterday the Indian embassy in Portugal reached out to Ipca for exports of around 50,000 tablets for Portugal and they shared the same PO that Teva has placed on Ipca for Teva NL.

As discussed yesterday, I believe Teva Portugal is to be served from the Teva NL orders and this is going to be handled directly by Teva NL. So my request is if you can let Teva Portugal know about this and also ask them to speak to the Indian embassy and let them know that Teva NL will handle this and the Indian embassy in Portugal does not need to reach Ipca directly. This is only to avoid any confusion on handling the orders at Ipca.

Thanks.
