- Prijs [redacted] 5.1.1c per stuk Free on Board, excluding transport to NLD
- Sources from 3M factories from their quota
- Proof of funds (POF) op VWS briefpapier met een handtekening:

Hereby I declare that Nedshield Switzerland AG has been provided the mandate to purchase personal protective equipment (PPE) including the N95 type face mask up to a value of Euro 35 million.

The Dutch Ministry of Health guarantees that it has the said funds and shall pay to Suppliers all the amounts owed for products which have been delivered under this mandate to the Ministry and which have been inspected by a designated representative of the Ministry to ensure conformity to the technical specifications provided in the product purchase agreements.

### 2. Beijing:

Graag willen we terugkoppeling over de opties en als we meteen de POF brief zouden kunnen doen dan kan de Canada optie meteen doorgepakkt worden vanavond.

Als we rond zijn met de leverancier kunnen we ook het transport regelen.

Kind regards,
