 Onderwerp: RE: 3M N90 1860 Masks , 5 mln pieces

Dear 5.1.2e
 Many thanks for this e-mail and the conversation we had on the phone. Also thanks for your explanation, which is certainly helpful. Of course, the Dutch government is interested in a volume of 5 Million face masks of FFP2-quality. Based on the information in the e-mail, I have to assume that these are original 3M products.
 Normally these transactions are done through the regular suppliers, but given the shortage of products the Ministry of Health has become active in this supply.
 We are especially interested in orders that are quickly available for and in the Netherlands. So, fast availability in Amsterdam Schiphol Airport.
 However, one thing is the price of 5.1.1c At this moment, we have offers of volumes with prices below 5.1.1c for CE or FDA certified material. So, a price of 5.1.1c is too high.
 So, in case the transport can be organized by the seller and fast, and an acceptable price per piece. Than we can come to an agreement. We are willing to consider to pay for transport costs when transparently given.
 We can organize the transport from Schiphol Airport to the storage location in the Netherlands.
 If there are any questions on this reply, do not hesitate to contact us.

Sincerely yours
 5.1.2e

Urgentie: Hoog

Beste heer 5.1.2e

Ik ontvang Uw gegevens middels 5.1.2e 5.1.2e van Mark Rutte.

Mijn naam is 5.1.2e en ik ben 5.1.2e

Momenteel werk ik samen met een groep van gelijkgestemden over de hele wereld aan internationale fusies en overnames.

Daarnaast zijn we actief in de internationale handel, waarbij ik onder andere samenwerk met 5.1.2e van de MillerWhiteGroup uit Geneve waarmee U eerder contact heeft gehad.

Via onze partner in Hong Kong, 5.1.2e, kregen wij 5 miljoen(!) 3M N95 1860 mondkapjes aangeboden, die per direct leverbaar zijn.

De gehele voorraad bevindt zich in een bonded warehouse op Narita airport in Tokio, Japan.

De voorraad is eigendom van een Chinees staatsbedrijf en is recent gefabriceerd in een 3M fabriek in Maleisië.

Op doorreis naar China zijn de mondkapjes "gestrand" in Tokio, omdat ze in China inmiddels voldoende voorraad hadden.

Aangezien 5.1.2e enige jaren voor Chinese staatsbedrijven heeft gewerkt zijn de eigenaren bij hem terecht gekomen.

Lang verhaal, maar toch van belang om de achtergrond en authenticiteit te schetsen.

Hieronder ziet U het bericht dat ik van 5.1.2e ontvang met aanvullende gegevens.

Wij denken dat de verkoper genoeg zal nemen met een bank garantie gesteld door de Staat der Nederlanden.

Wij kunnen tevens voor vervoer zorgdragen middels bevriende vervoerders.

U kunt zich wel voorstellen dat we snel moeten handelen.

Wat per direct nodig is, is een Purchase Order gesteld door de Nederlandse Autoriteit, die belast is met de inkoop.

Vervolgens kunnen wij, indien gewenst, namens U alle (betalings)voorwaarden in detail uitwerken.

Ik ben gaarne tot nader overleg bereid via tel. 5.1.2e of anders per email 5.1.2e @corha.eu

Met vriendelijke groet,

5.1.2e
