Subject: CCB ToR and Long COVID publications

Dear all,

I am writing to you to follow up from the CCB meeting earlier this week in which the Terms of Reference (ToR) for the CCB were discussed. The ToR, which also include a Non-Disclosure Agreement, have been developed within the CoMeCT project as a Deliverable. Please see attached the current draft, we ask you to please add any comments or suggestions you may have (using tracked changes) and please return to me by **13:00 CET Monday 25th March.**

Also following on from the meeting, please send any publications from your cohorts on **Long COVID/PCS** by **Thursday 28th March** to 5.1.2e at: 5.1.2e @isciii.es.

I will also take this opportunity to share that the May CCB meeting has been **cancelled**, due to a schedule clash with another meeting we expect many CCB members will be attending. Therefore, the CCB meetings before the summer will be **April 16th** and **June 11th**.

Best wishes,
