Subject: Post Covid Onderzoek - Logo design ideas

H [redacted]

I attached a selection of the ideas for the logo of the new patient portal. Please have look if there is any of them going into a direction you could imagine to use.

These are not the final logo designs, the specific images are placeholders for the motive.

We can discuss this next week - or you can share feedback before if you have spontaneous opinion.

I wish you a nice weekend.

Best,

[redacted]
