Dear Ms. [redacted]

Thank you very much for your response.

As you may know, there is an ongoing case at the European Court of Justice for which Member States will be asked to submit observations by 18th October. If at all possible, we would be grateful if we could please find a time to discuss with Ms. [redacted] before that date. If that is not possible, we would be available to have the video call at 11am CET on 5th November.

Kind regards,
 [redacted]

Onderwerp: [***MOGELIJK SPAM***] Super League | Meeting request

Dear Mr. [REDACTED]

I am writing to you on behalf of the European Super League (ESL).

As the launch of the project has raised quite some public interest and concern in spring, I would like to request a short meeting or video call to explain the underlying reasoning and motivation for a self-governed, transparent, and truly European league, as well as its benefits to European football, its clubs small and big, its fans and the European economy.

We would also like to use this opportunity to listen to concerns around the league and explain the changes we are working on, in particular, to ensure that the league is open and based on sporting merit through a credible relegation system.

I would therefore very much appreciate the opportunity to exchange views with you on this important topic and would value and appreciate your input.

Please do let me know if some time slots are particularly convenient on your side.

I look forward to hearing from you.

Yours sincerely,

[REDACTED]
