

P.O. Box 9101 | 6700 HB Wageningen | The Netherlands

To whom it may concern

Subject: Ethics approval
Approval number: 2024-012

The WUR Research Ethics Committee for review of non-medical studies with human subjects (WUR-REC) has reviewed the following research:

Principal researcher	5.1.2e
Name applicant	5.1.2e
Title of the research project	Impact of flavor ban on e-cigarette use behavior
Location	The Netherlands
Funding source(s)	VWS
Period	June 2024

The Committee concluded that the research deals with ethical issues in a satisfactory way and that it complies with the Dutch "Code of ethics for research in the social and behavioural sciences involving human participants".

Sincerely,

5.1.2e
