Hoi [5.1.2e]
 Dank je. Ja ik lees zijn berichten net, we hadden eters.
 Ik had gehoopt op een 'hearing' later deze week, ik zou met [5.1.2e] samen iets opstellen.
 Nu wordt dat opeens wel erg kort dag, maar ik veeg mij agenda wel leeg morgen en kijk hoever ik kom.
 Mogelijk kan ik een evaluatie over de mRNA en de eiwit vaccins rond 13:00 uur circuleren, eerder lukt niet.
 Hoe is het met [5.1.2e]
 Groet, [5.1.2e]

Onderwerp: invitation meeting of experts on Covid-19-vaccines with EU Member States

Chères collègues, dear colleagues,

We would like to invite you for a meeting to exchange the scientific analysis of you and the Scientific Board you are representing on candidate Covid-19-vaccines. This time, the meeting will be with all 27 EU Member States and the Commission via Webex. We would preferably discuss all the following vaccines: the three mRNA-candidates Moderna, BioNTech and Curevac as well as the vaccines of AstraZeneca/Oxford; Johnson & Johnson and Sanofi Pasteur/GSK.

We propose to give you 20 minutes each to share with us the analysis of your Scientific Board on the proposed vaccines. Afterwards, there is some time left for the Member States to ask a few questions. In our view, the meeting will take 90 minutes in total.

Due to the time schedule of ongoing negotiations, the Joint Negotiation Team is asking for your cooperation to have this meeting tomorrow, Monday 27. July 2020, preferably at 17h30 – 19h00.

Therefore, please let me know the following as soon as possible, preferably before tomorrow morning 9h30 at the latest:

1. Would you be available to share your analysis on the above mentioned Covid-19-vaccines on such a short notice? For AZ and J&J, we already had an exchange of views with [REDACTED] 5.1.2e The main focus therefore will be on the three mRNA candidate vaccines.
2. Would tomorrow, Monday 27. July 2020, 17h30 – 19.00 suit you?

A written analysis/comment will have added value, but can also be delivered soon afterwards. I forward the analyses that already have been shared with us. The Commission will prepare a draft report of the meeting.

Please, feel free to pose any questions, via mail or mobile phone ([REDACTED] 5.1.2e)

Many thanks for your quick responses.

Kind regards,
Cordialement,

[REDACTED] 5.1.2e
