**Subject:** [EXTERNAL] RE: URGENT\_Q2 to Q3 Rephrasing\_VOF Amendment\_The Netherlands

Dear 5.1.2e

In order to be able to send you the signed amendment, we need clearance from our Finance department.

In essence, they indicate that paying for doses which will only be delivered later, is a form of undue payment, for which they need to give clearance.

That clearance will come, but it might turn out that it will only come over the weekend.

As it is clear that we want this rephrasing and that the needed clearance from our Finance department will come in soon, we ask you to move ahead with all the needed preparations on your side.

I'll keep you updated on the progress and will send you the signed amendment as soon as we can.

Best regards,

5.1.2e
