Dear 5.1.2e [redacted]

On behalf of the Commission I can agree with the text below

Best

5.1.2e [redacted]

> The Netherlands and the Commission hereby declare that the Contractor will have no obligation to deliver 5.1.1c [redacted] doses in

April 2022 pursuant to Article I.6.3 of the PA due to the Netherlands delay to place their relevant orders. The Netherlands and the Commission hereby waive all its rights and remedies in respect of Late Delivery of those doses. The Netherlands understands this is a one-time exception and happy for the Contractor to deliver those doses in May 2022 after placing the relevant orders on time.
