

This is a kind reminder. Please note that payment of Novavax Invoice #90000080 (EUR 5.11c) has not been received and is past due effective April 23, 2022. This outstanding balance is associated with COVID-19 Vaccine sales.

Your prompt attention to this matter would be greatly appreciated. We trust that the Ministry of Health, Welfare and Sports will clear their account upon receipt of this e-mail.

If your internal records show that you have already made this payment, please share the associated payment details so that we can reconcile this matter.
