Dear 5.1.2e

This is an irregular way to be connected. Let me start by saying on behalf of our athletes and staff that we are very grateful for the agreement that was reached between the IOC and Pfizer.

Following the communication of the IOC I would like to suggest a quick call today, to connect and proceed swiftly. It is of great importance to start vaccinating mentioned Olympic and Paralympic entourage within the next few days. The ministry VWS has communicated to us that they are in need of some more details on the operation.

I can be reached at 5.1.2e

Kind regards,
5.1.2e
